Red Oak Manor

Established 2007

Red Oak Manor is a family owned and operated bed & breakfast, full service restaurant, and event center. We specialize in making your day the best day, whether it's a family breakfast, business lunch, or your wedding day.

The home was built around 1880, and locally know as the Weeks' House, after Dr. Weeks the local physician. Dr. Weeks used two rooms in the home as his waiting room and office. The rest was his private residence. The home remained a private residence until 2007 when it began it's transformation to Red Oak Manor. An additional bedroom and three bathrooms were added, as well as expanding the bathroom in the Week's guestroom to be handicap friendly.

Hosting it's first event just five weeks after the property purchase, it has been not stop since then. The bed & breakfast saw it's first over night guest in March of 2008 and the Acorn Restaurant, named as a little piece of Red Oak Manor, opened in October of 2008.

Bi-monthly we host Iron Chef Harlem, where we pair local chefs (and just really good cooks) against each other in a head-to-head competition over a 'not-so-secret' ingredient. This five course meal provides some interesting twists on everyday dishes, but always provides a scrumptious meal and wonderful night of entertainment.

We also offer periodic special events, like karaoke and live music. Friend us on FaceBook for event invitations.
