Red Oak Manor – Est. 2007

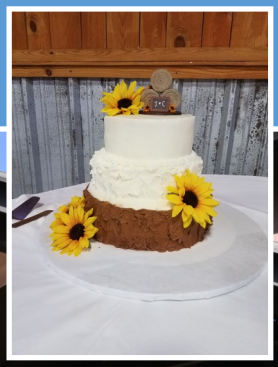

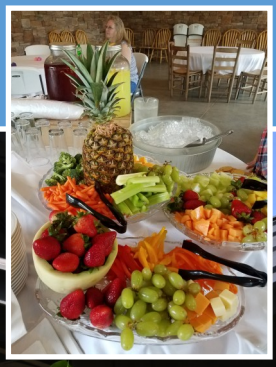

Red Oak Manor is a family/veteran owned and operated bed & breakfast, full service restaurant, and wedding/event facility. Oma, Opa, Renee, and LeeAnn are here to help plan your next party, photograph your family, and take care of you in every way!

The home was built around 1880, and locally known as the Weeks' House, named for the local physician, Dr. Weeks. He used two rooms in the home as his waiting room and office. The rest was his private residence. The home remained a single family home until 2007 when it began it's transformation into Red Oak Manor. An additional bedroom and three bathrooms were added, as well as expanding the bathroom in the Weeks Room to be handicapped friendly. The event facility and gazebo were added to host beautiful weddings and events of all sizes. Hurricane Helene destroyed to original gazebo, but we love our new one even more!

Hosting the first event just five weeks after the property purchase, it has been non-stop ever since. The bed & breakfast saw it's first overnight guests in March of 2008 and The Acorn Restaurant, named as a little piece of Red Oak Manor, opened in October 2008.

Keep up with all of our specials and events by liking our page The Acorn Restaurant or sending a friend request to Red Oak Manor.
